"We can not discover new oceans unless we have the courage to lose sight of the shore."
- André Gide

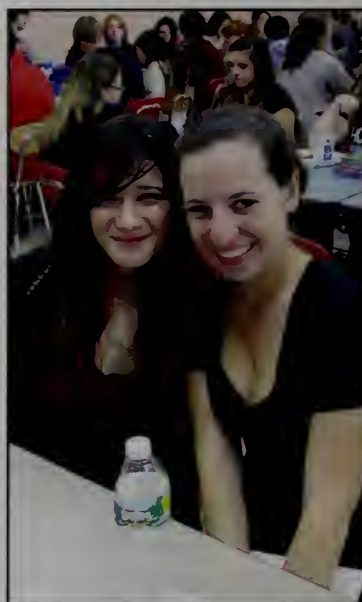

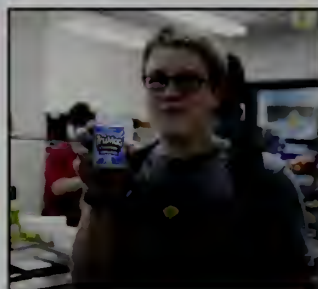

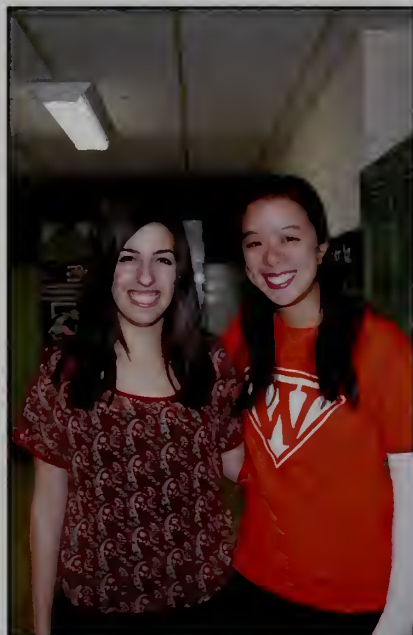

These last few months went by so fast,

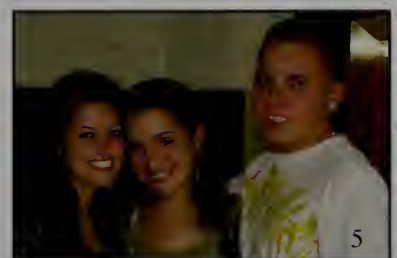

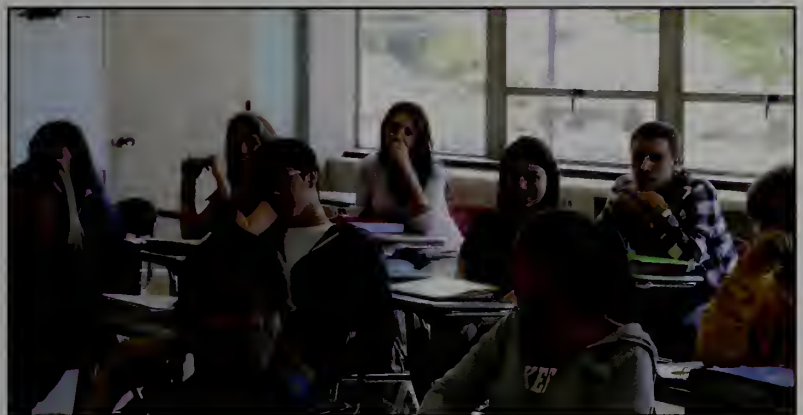

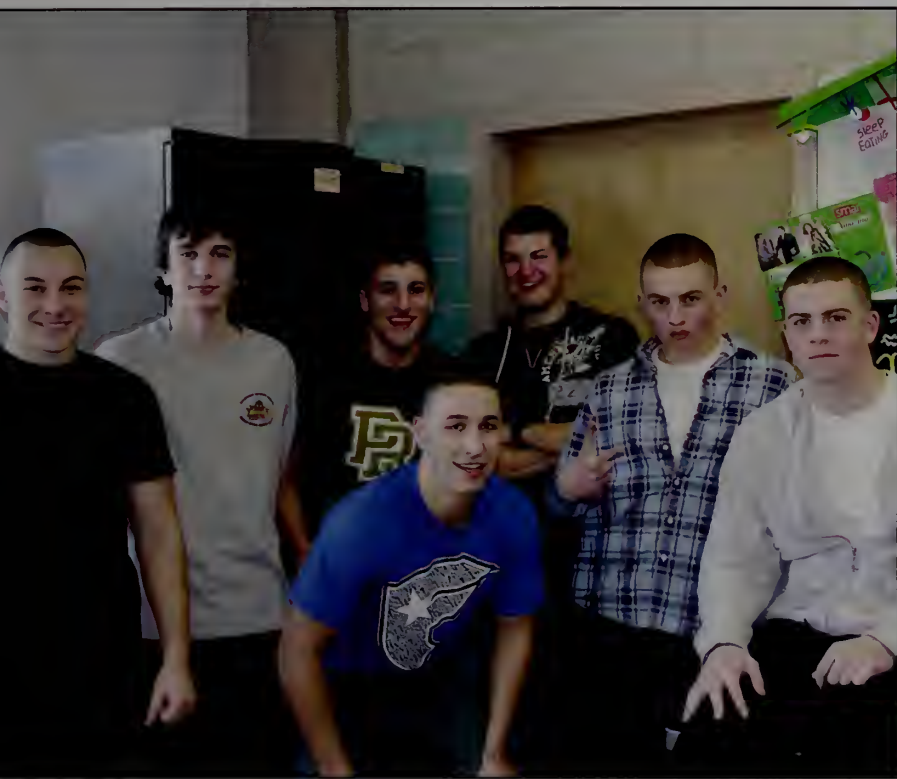

Thinking of our futures, letting go of the past.

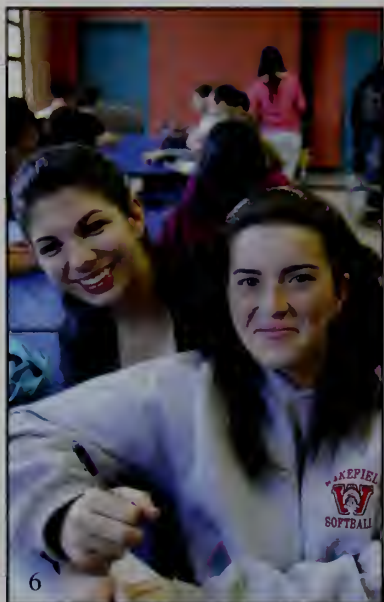

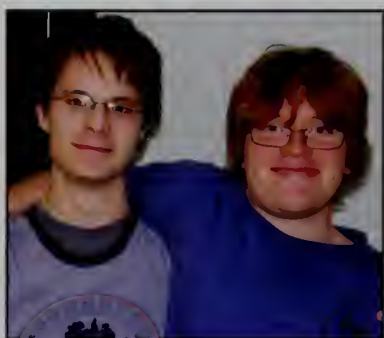

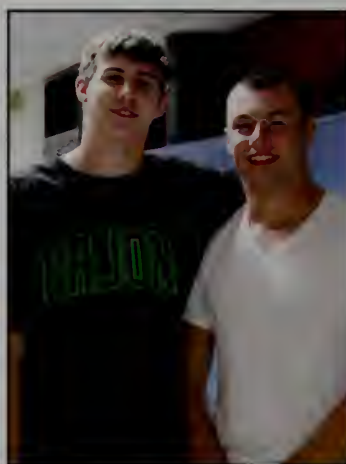

Our last year together, our last chance to show...

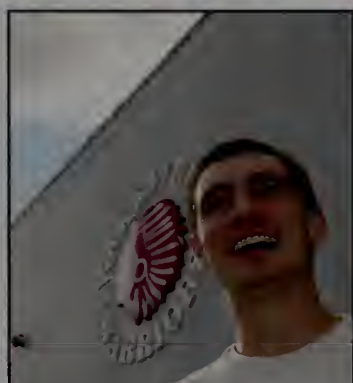

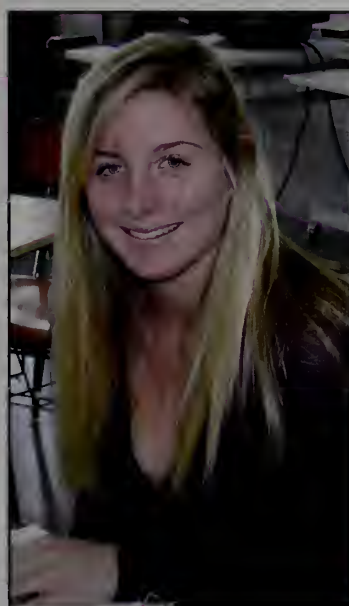

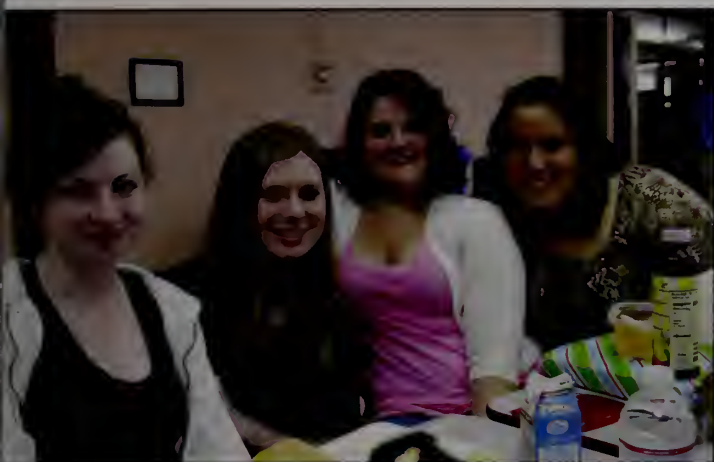

How much we've learned, how much we've grown.

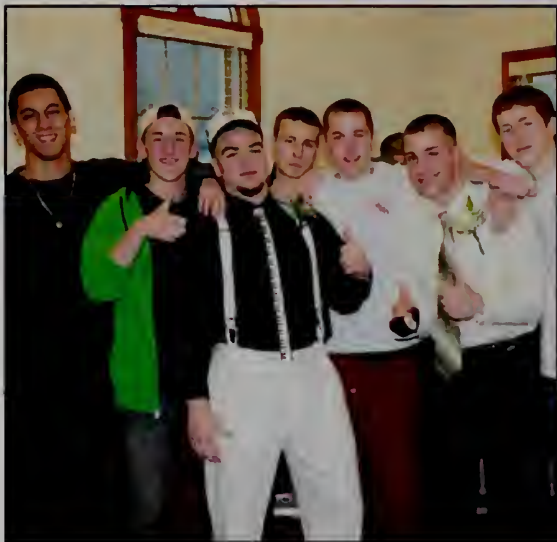

Our last moment together, standing there...

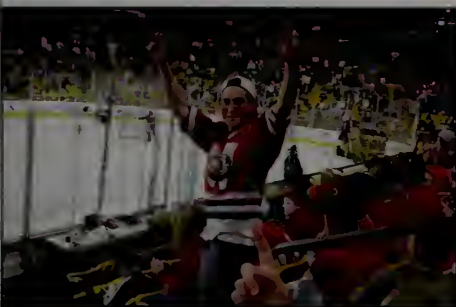

Our last chance to show we all really cared.

From the mistakes to the celebrations,

We're here once more for our graduation.

Mr. Andrew Moody and Ms. Jill Charie

Dear Mr. Moody and Mrs. Charie,

You kept us motivated long after we were ready to check out. Moods always had us laughing with his ridiculous jokes! And Charie knew how to keep us focused when we got off track. Together you two made a great team; the officers and the class were lucky to have such amazing teachers for advisors.

Thank you from the Class of 2012!

The Boys Soccer Team played hard in a highly skilled, competitive league. Their record of 0-17-1 wasn't reflective of their many close games. Charlie Finnagan was selected as a Middlesex League All-Star. What was the last of 48 years of coaching for longtime coach John DiComandrea(Deke), the members of the Warrior's Indoor Track and Field Team really stepped up their performances this winter. Most of the seniors have been on the team since their freshman year and made up the large majority of the small squad. They proved that quality beats quantity, as many of the seniors qualified for states as individuals and helped lead the team to a winning record(4-2). Distance runners Stephen Robertson, James Bridges, Marc Bucchieri, Chris Haddad, Andrew Russo, and Nini Ren improved their times over the course of the season. Jonathan Miksis and Ryan Carey ran the middle distance events, Brett Tassinari excelled in the sprints and Mitch Severt and Sean Robbins ran the hurdles. Jesse Cardoza, Michael Hartrey, and Marc Smith threw the shot put. James Bridges, Tassinari, Miksis, and Robertson were the State Relay Champions in the Distance Medley. Four school records were also taken down between Robertson and Miksis with Tassinari nearly doing the same. Middlesex League All Stars included Aaron Lucci (2 mile), Robertson (1 mile), Bridges (1 mile), Miksis for(600m) and Tassinari (300m).

Along with their 5 great wins, Wakefield Girls Track had two ML league champions, Jessica Duffy with shot put and Patty Malone with her speed in the 55 meter dash. Juniors Kelly Ledoux-Walsh (1 mile) and Melanie Miksis (2 mile) were both selected as Middlesex League All Stars along with seniors; Malone (55m), Duffy, and Liz Bray. Liz set a new shot put record at 39' 5 3/4". Captains Jessica Duffy, Patricia Malone, Kayla Milburn and Meghan Warchol did a tremendous job leading the girls through this amazing season.

Led by seniors Jamie Bourque, Keyon Armstrong and Jahad McNeil, the boys' basketball team had a most memorable season. After finishing the regular season in second place, the team made a great two-week run in the State Tournament. After two impressive home victories over League rivals Belmont and Arlington, the cagers upset the #1 seeded Knights of North Andover, 47-45, which earned them the right play for the Sectional Championship against Brighton. The Warriors came up just short in the contest, but had established themselves as one of the top teams in Eastern Massachusetts. Junior Kendall Hamilton and freshman Bruce Brown were selected as Middlesex League All Stars. The members of the team will always remember the loyal and raucous support of the student body, aptly nick-named the "Red Sea".

Clubs and Activities

Clubs and activities at WHS are an integral part of the educational progress. While academic achievement is the number one goal, a well-rounded student can find time for extra-curricular activities. Participation in clubs and organizations is a valuable part of the overall high school experience where students can make friendships and memories that will last a lifetime.

Dedication to Mrs. Roni Burns

Roni Burns has been employed by the Wakefield School System for 23 years and is going to retire at the end of the year. For the past 15 years, Roni has been the Administrative Assistant for the Athletic Department. Currently, the high school athletic program fields 48 total teams. Well over 500 students participate in one or more sports at Wakefield High. Athletic Director, Mike Boyages, said the following when asked to comment about Roni, "Managing the daily demands associated with our athletic department is very challenging. Roni has done an amazing job for so many years. She brings a positive attitude and a great work ethic to the office every day."

Mrs. Burns greets students with a smile and treats them like they were her own children. All of the coaches and student athletes at Wakefield High agree, "Mrs. Burns is the best." She works quietly behind the scenes doing whatever is necessary to make things run smoothly. For fifteen years she has been the steady compass that has guided each and every student, athlete, coach, parent and fan of the Wakefield High School Athletics program. Thank you Roni for your tireless efforts on behalf of our students and contributions to the community.
